Desh-Videsh Atlanta Edition, first published in 1993, is a community magazine geared towards the interests of the South Asians living in Florida, Georgia, Washington DC, Virginia, Maryland, North Carolina and South Carolina. As South Asians living in the United States, we know how challenging it is to continue traditions so far away from the land in which you grew up. Keeping these traditions alive and instilling our children with a sense of cultural awareness are important issues that face our community. At Desh-Videsh Atlanta Edition, we strive to play a role in bringing our traditions to the forefront. We have made it a point to create an upbeat publication, one that highlights the positive aspects of our community. Focusing our attention only on the positives has become a cornerstone of our magazine, and we pledge to continue to do so.

The Key to a Successful Business

The question is never “Should I advertise? Will it be beneficial for my business?” but instead it should be “Where do I advertise?” Desh-Videsh Atlanta Edition understands that advertising is probably a central component to running your business. With a longer shelf-life than traditional newspapers and radio programs, the magazine format allows your advertising dollar to go even further than with other means of advertising.

So, why Desh-Videsh Atlanta Edition? As an advertiser, you can be sure your message will be received by a growing audience, one that is firmly rooted in a sense of community, traditions, and the positive aspects of life. We know that community matters, and we know that you can greatly benefit from the myriad of individuals that make up our readership. As the largest South Asian magazine in the Southeast US covering Florida, Georgia, Washington DC, Virginia, Maryland, North Carolina and South Carolina, we reach a wide audience of over 75,000 Indians, Pakistanis, Bangladeshi, and Indo-Caribbeans.

As proof of the substantial benefit to businesses by advertising in Desh-Videsh Atlanta Edition, we have clients that have continuously advertised in our magazine since its inception.

What our readers are Saying

After years of teaching, I found myself working as an editor for several books and journals. Because it is the best written, edited, and printed Heathen publication now available, I strongly endorse Desh-Videsh Magazine to all my friends and family. Excellent in every way: writing, presentation, visuals, paper, printing, and overall quality; highly recommended. Keeping up such a high-quality publication is something I urge everyone to do. It's easy, again; just take my advice and SUBSCRIBE! The all-caps expression is a thumbs-up cheer, not an actual yell.

Prof. Amit Bhat
