Mission

To serve and support members of the Indian sub-continent community with an inspirational and educational magazine and to empower readers with an awareness of local, national and international news, events, and social happenings.

What our readers are Saying

"I was married in August 2010 at the Hilton. I relied on your magazine for inspiration and advice throughout my planning process. Most of the vendors I choose from your magazine did an amazing job, making my wedding day absolutely wonderful!"

Amrita Desai

Desh-Videsh, first published in 1993, is a community magazine geared towards the interests of the South Asians living in Florida, Georgia, Washington DC, Virginia, Maryland, North Carolina and South Carolina. As South Asians living in the United States, we know how challenging it is to continue traditions so far away from the land in which you grew up. Keeping these traditions alive and instilling our children with a sense of cultural awareness are important issues that face our community. At *Desh-Videsh*, we strive to play a role in bringing our traditions to the forefront. We have made it a point to create an upbeat publication, one that highlights the positive aspects of our community. Focusing our attention only on the positives has become a cornerstone of our magazine, and we pledge to continue to do so.

The Key to a Successful Business

The question is never "Should I advertise? Will it be beneficial for my business?" but instead it should be "Where do I advertise?" *Desh-Videsh* understands that advertising is probably a central component to running your business. With a longer shelf-life than traditional newspapers and radio programs, the magazine format allows your advertising dollar to go even further than with other means of advertising.

So, why *Desh-Videsh*? As an advertiser, you can be sure your message will be received by a growing audience, one that is firmly rooted in a sense of community, traditions, and the positive aspects of life. We know that community matters, and we know that you can greatly benefit from the myriad of individuals that make up our readership. As the largest South Asian magazine in the Southeast US covering Florida, Georgia, Washington DC, Virginia, Maryland, North Carolina and South Carolina, we reach a wide audience of over 75,000 Indians, Pakistanis, Bangladeshi, and Indo-Caribbeans.

As proof of the substantial benefit to businesses by advertising in *Desh-Videsh*, we have clients that have continuously advertised in our magazine since its inception.

Desh-Videsh's colorful and glossy pages sets it apart from other magazines, and puts it in a class of its own. Every month, our readers look forward to receiving their copy of *Desh-Videsh* for its interesting articles and other valuable information. The magazine has something for every member of the family.

Advertising and marketing has changed forever...

What worked in the past is not working today. Savvy marketers are quickly realizing that a multi-channel approach works best. Savvy marketers like you have probably noted that reaching your target audience is not as easy as it used to be; they are more mobile and are doing more research, so they are better informed. As you may have experienced, it's a bit of a puzzle. But there is a key piece that can put you ahead of the competition.

What our readers are Saying

I am getting married in August of this year. You just cut my work in half. I loved the personal stories. Wedding Vendor Directory is going to be very handy. It seems like I am going to carry this issue for next five months in my car.

Anita Bhasker, Atlanta

"Thank you for making our job so easy for our daughter's wedding. We used your wedding issue as a shopping guide."
